Director of Children's Ministry

Emma Everhart

Go ahead and read Emma's bio below, but better than that, make sure you say hello and introduce yourself to her during the week or on Sunday. She would love to get to know as many members of her Cityview family as possible as soon as possible.

I grew up right next to Cityview in Lombard! Early on in high school, the Lord put it on my heart to invest my life into ministering to children, the next generation of believers. The Lord brought me to Moody Bible Institute to intentionally learn and pursue that with a degree in Children and Family Ministry. During my time there, I spent a year attending Cityview! After I graduated from Moody in 2023, the Lord opened up an opportunity to work at Focus on the Family. That fall, I moved to Colorado Springs, and have spent the last few years learning and growing in what the Lord has had for me. Coming up on almost 3 years in CO, the Lord pressed it on my heart to apply my degree and what I've learned. I started to pray and seek out opportunities in areas closer to family. The Lord helped guide me towards this Children's Director/Admin role that perfectly blends what he's been teaching me over these last several years at Moody and at Focus. I'm so excited to step into this role and join in the work that the Lord is doing in and through the families at Cityview.
