BLESSINGS

Dear Friends and Family,

Happy Thanksgiving, Merry Christmas, and Happy New Year!! **YOU** are a **blessing.****God's blessings** have been abundant this past year. God's Word says "Rejoice, and again I say rejoice". That doesn't mean there haven't been sad days, too, missing Phil.Having **Jon and Blair join Avant**, and now be on campus at Rio Grande Bible College is a wonderful **blessing.** They are still raising support. **Pray for total support.**Having **Tim and Debbie** just around the corner is an incredible **blessing!** **Pray for disability help for Caleb.**Larsen and Anders (Ben's sons) and Victoria Witt (Linnea's daughter) are on their way here for Thanksgiving. **What a blessing!** That will make 12 family members together giving thanks together. There's always music when Blyckers are together.This fall I had the opportunity to visit The Ark Encounter and Creation Museum in Kentucky; visit my supporting churches in Elmhurst, ILL, and Katy, TX; and Homecoming Conference in Kansas City, each a special **blessing.**God has allowed me to continually **use my cello** in worship at RGBC, my church, and Bibleville Conferences. **I love it!****Thank you for being a blessing** to me, also.

God bless you,
