34 YEARS PEOPLE!

And growing strong.

Thanks to so many who have walked with us through the years and helped us stay turned toward each other.

Continuing with a "Marriage" theme, thank you for praying for the 4 couples who attended our recent retreat. These couples are doing meaningful kingdom work in hard places around the world. Resources to invest in their marriages are very limited in the contexts where they live. So they came in primed to engage and anxious to grow. As we reflect on the week with these couples, it seems to us that the work of supporting marriages (that are living, breathing models of God's trinitarian commitment to unity) holds a high priority in what we want to offer to global workers. Please enjoy the notes left in our La Morada guest book.

Nov. 22, 2024

Dear Jeff and Candy, Matthew and Melinda,
We are so grateful we were able
to come away and retreat at La Merada.
This place lends itself to rest, beauty,
peace, enjoyment - a sacred space to
then be able to lean into the very
hard difficult. We came here in crisis
and are leaving with hope. You gave
us such a gift - greater reminders of
our amazing trinitarian God - how our
bodies and brains work - to the pain
& peace cycle work, to learn, understand,
and now to go home and practice.
Thank you! You four make a great
team and from the beginning we felt
seen - it was just wonderful to
be loved on, counseled, helped,
served, given space to sit and be !!!
Thank you so much!
With much love and affection,

Dear Jeff, Candy, Matt, + Melinda,
It would seem to me that only
people who have come to rest in the
fact that they are God's ποιημα (poiema)
could help others come to rest in that
same truth about them. So thank you
you four have embodied the life-giving
truths that you have shared with us
this week. You have shown up, put in
the work, and walked this road in your
own marriages, and it's from that
place that you have been able to
extend hope to others. Thank you for
leading by example. We praise God for
the grace that he has poured into
your lives so that some of that grace
might overflow into our lives.
God's richest grace and peace upon
you and upon this place.

We'd like to offer you an End of Year La Morada project to invest in. The idea of our Care Center reaching a "zero cost" monthly reality is exciting. It helps us limit the cost that we pass on to global workers who are coming to us. Would you take a minute and see 2 opportunities to invest below. Thank you.

SOLAR PANELS

Our top priority for 2025 is to install solar panels. Electricity costs in Europe are 2-3 times the cost in the USA. We paid \$22,000 in electricity alone last year, so solar panels would almost pay themselves off in one year!

Would you like to buy a solar panel as a year-end gift to La Morada?

Total project cost... \$30,000
Cost of one panel (installed)... \$5,000

FRENCH DOORS

The entire basement has been converted to training spaces and counseling rooms. But we would love to replace the six car garage doors with french doors to give more light and beauty to our new training space.

ESTIMATED COST \$10,000

THANK YOU FOR YOUR SUPPORT

Having just stepped into Advent, we are aware that our hearts are full of many things. Like the real people in the Christmas story we are full of gratitude, wonder, and curiosity. We also feel a fair amount of anxiety, weariness and "just keep swimming" need to simply take care of the work before us. It is into that reality that Jesus came and we are very aware of our deep need for Him in all of it.

Thank you for standing with us, praying for us and giving to God's work through us. We are blessed!
Merry Christmas- J&C
