# Purposeful Parenting

In the summer of 2023, many Cityview parents completed a survey I sent about family discipleship. One of the things I wanted to find out was how I could best equip and support you in your parenting. This Explore Hour class was born from your answers in that survey.

The topics listed below represent the top things you, as parents, want to know more about or are concerned about for your child.

We will meet in the Blue Room on Sundays at 9:15am starting on January 7.

- 1.7** Where Are My Children Spiritually?
- 1.14** Building an Authentic Faith
- 1.21** Biblical Friendships
- 1.28** Navigating & Engaging Culture
- 2.4** Same Team
- 2.11** Milestones

Parent University is a series of workshops and classes designed to equip parents with the tools and resources necessary to disciple their children.
