February 2025

Important Classroom Update

This Sunday, February 2, there will be a couple of classroom location changes for the Worship Hour. We have seen growth in all of our classrooms, and we are maxing out our space on some of our larger attendance weeks. We are grateful for good growing pains! We are making the following changes to ensure our children and teachers have adequate and safe space for class. The nursery and toddler rooms will remain the same; however, we have moved some things out of the toddler room to allow more play space.

- The PreK-K (4-5 years old) will move across the hallway into **Room 106**, which was the former Elementary Classroom.
- The Elementary Class (1st-3rd grade) will move down the hallway into **Room 110 (Family Ministries/Youth Room)**.

*Explore Hour Classrooms will remain unchanged.

A flyer for a Family Baptism Class. The background is a blue-tinted image of water splashing. The text 'FAMILY Baptism CLASS' is written in a mix of blue fonts. A white rounded rectangle contains the event details: 'Sunday, February 9 9:15a | Red Room' and 'For families with children or teenagers interested in learning more about baptism. We encourage at least one parent to attend with your student.'

Lake Geneva Ministries

One of our partner ministries at Cityview is Lake Geneva Ministries. LGM runs two camp properties, Lake Geneva Youth Camp (Lake Geneva, WI) and Conference Point (Williams Bay, WI). They offer camps for children, junior high, high school, families, and other specialty camps. LGM offers life-changing experiences in Christ, and our church has witnessed how camp can impact the faith journey of our students and families. On Sunday, you can stop by one of the high-top tables to ask questions about camp.

You can visit the website [HERE](#) to check out more about the different camp offerings listed below.
