Our vision: To mobilize Bolivian churches in La Paz to plant Gospel-focused, disciple-making, missional churches who glorify God in their city, country, and world (Acts 1:8).

Happy New Year from the Hurst Family!

Mariah, Hannah, Kayla, Faith and Greg

Our entire family crossed paths for three days in Bolivia to start the new year together! May these words from Paul Tripp help us to pause and ponder how God has given His people every grace that we need to live for His glory in 2025:

"Let's start the new year by admitting that there is nothing less natural for us than to live for the glory of another. This admission is the doorway not to despair, but to hope. God knew that in your sin you would never live this way, so He sent His Son to live the life you couldn't, to die on your behalf, and to rise again, conquering sin and death. He did this so that you would not only be forgiven for your allegiance to your own glory, but have every grace you need to live for His." Paul Tripp

2024 in a Glance...A Flipbook and Video

In the hustle of the holidays, you may have missed two important links from our last update. As we start the new year today, please take a few minutes to flip through the La Paz Project 2024 Annual Report as well as to watch a highlight video 2024.

When you click on the above annual report flipbook, you can flip through 2024 in less than 1 minute; just click on the arrows on the sides of the page to move forward or backward. Also, you can expand it to read or download the annual report as a PDF.

City to City Latin America came to La Paz this November for the first session of the “Incubator”, their two-year, eight session, intensive church-planting training. The Incubator equips and encourages church planters by helping them connect the gospel to their lives and ministries. There are 27 participants in the Incubator La Paz training, representing 15 church plants from four cities where 70% of Bolivia’s population reside. It was one of the highlights in 2024.

We hope you enjoy this 3 minute video about our first Incubator in La Paz.

Ways to Pray in 2025

GOSPEL- FOCUSED

Gospel-Focused: For God to help 12 candidates from the La Paz Project to connect the gospel to their “heads, hearts and hands” as they begin their theological studies through Westminster’s Seminary program starting in February.

DISCIPLE- MAKING

Disciple-Making: For fruitfulness in teaching the biblical call of discipleship and in equipping leaders to make disciples in their homes and churches (Dt 6:1-6; Mt 28:18-20).

MISSIONAL

Missional: For each church-planting team to live on mission with God where He has sent them by contextualizing the gospel in their city and sending workers to unreached indigenous communities outside of their city.

CHURCH PLANTING

Church Planting: For God to equip and encourage church planters and their teams through the 8 Incubator sessions, and that their new congregations will reflect more vividly the heart and life of Christ in their communities.

FINANCES

Finances: As the La Paz Project has expanded in 2024, the projected budget for 2025 has also grown. Please pray for God to provide monthly donors as well as one-time gifts towards the project's financial needs.
