## Rest: 30-Day Family Devo

One area we don't take advantage of enough in our culture is rest. As a family, it is important to make the most of our times of rest by focusing on the Lord together rather than vegging out on the couch, sleeping, or pursuing hobbies. Consider purchasing this devotional and walk through it as a family with the hopes of seeing the Lord change your understanding and practice of rest.

## Step Up Workshop

**Save-the-Date: Wed., Feb. 11, 6-8 p.m.**

For all 6th-8th-grade students and their parents. This workshop teaches students about biblical manhood and womanhood and highlights the goodness of God's design and how he uniquely calls men and women to serve him and others. A sign up for this workshop will be sent out soon.
