

Dear Cityview Family,

2025 was a challenging, but very fruitful year for us in so many ways.

Physically, I Ron, had my left kidney removed due to the discovery of stage 4 cancer, and I had a hernia repaired. I am all healed up and operating at full capacity as of this writing and feeling almost as strong as ever. Lelah is a trooper. She is still going strong in spite of her painful knees.

Spiritually we are both really encouraged and living out our marriage verse. "Oh, magnify the Lord with me and let us exalt His name together."

God continues to bless the ministry and is leading us to stay full time with The Navigators for at least one more year. We are making this decision one year at a time, however, at our ages. We are able to do this because of your faithful support and prayers. Because of your faithful partnership God's kingdom continues to advance, **life on life**, here in the Raleigh area. Thanks, we are truly grateful!

As we enter this new year, let's daily remember together that, **"This is the day the lord has made, let us rejoice and be glad in it."** (Psa. 118:14)

Blessings in the new year,

Ron & Lelah
