

THE KANOUR NEWS LETTER

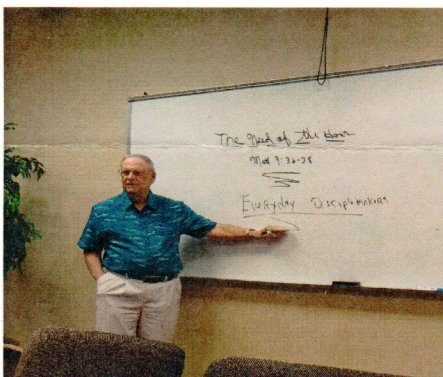

225 Aldenwood Place, Apex, NC 27539

June 2025

Dear extended family,

Lelah and I want to thank each of you for your generous and faithful giving and prayers. We could not do what God has called us to if we didn't have such a faithful support team behind us. Thank you so much!

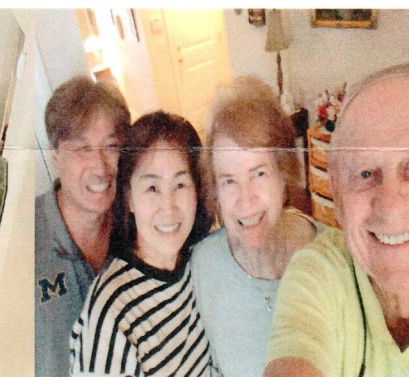

We continue to trust God to use us as we partner with Him in raising up laborers for the harvest field. Trusting God to raise up everyday disciple makers is a process that involves the following: life on life evangelism, life on life and small group discipleship, teaching, disciples making disciples gatherings, and the forming of missional communities in our churches, neighborhoods, workplaces, and spheres of influence. Below are some examples of ways the gospel is advancing through The Navigator ministry of evangelism, establishing, and the equipping and training of laborers here in Raleigh/Durham.
