Parents: We Need Your Help

Parents, Jake will visit some Kids' City classrooms, CityLink, and CityStu over the next couple of weeks to remind students of expectations for moving through and using the building, especially on Sunday mornings. Please also talk to your children and teenagers about these expectations.

1. **No running in the lobby or hallways.** Several people have been run into or tripped because students run in the lobby and hallways after the service. These are high-traffic areas for people using the bathrooms and coming up from Kids' City with small children, and we'd like to avoid any accidents.
2. **Do not remove any gym equipment from the gym.**
3. **No eating or taking snacks or drinks from classrooms or the youth room.** We try to keep things locked, but students cannot take things from the classroom to eat outside of classroom time.

We want the kids to feel free to run and play with their friends, so please encourage them to walk to these designated areas: the gym and youth room. They are expected to clean up after themselves.

3 Reasons to Use a Family Devotional

Read the article below to learn why family devotionals are such a good idea at home. If you need suggestions, please reach out to the Family Ministry team, and we'd love to get devotionals into your hands to support discipleship at home as your whole family is grounded in God's Word and the gospel of Jesus Christ.

Upcoming Classes and Workshops

Parent U: Parenting 101 | November 7 | 9:00a | Family Ministries Room

A workshop based on Psalm 101 that will help you think through the discipleship of your children and other younger disciples. *For parents, grandparents, and disciple-makers with children and teens of all ages.*

PARENTING 101:

DISCIPLESHIP BEGINS AT HOME

SATURDAY, NOVEMBER 7 | 9-11AM

How can parents intentionally shape the hearts, habits, and faith of their children? Using Psalm 101 as our foundation, this workshop will explore how parents can cultivate a home marked by integrity, godliness, and wholehearted devotion to the Lord. Together, we will consider how our character, conversations, choices, and daily rhythms shape our children's understanding of what it means to follow Jesus.

Parents will be equipped with practical ways to model biblical faith, establish Christ-centered priorities, and create a home where discipleship is not simply taught but lived out every day.

This workshop is part of the Cityview Family Ministries Equipping Track
