# Jesus is the Light of the World

*"Whoever follows me will never walk in darkness, but will have the light of life." -John 8:12*

*As the world grows dark, let His light shine even brighter through you.*

## Leading Our Children to Jesus

One of the most beautiful moments this season was my daughter Sophia making the **personal decision to be baptized!** As a mom, it moved me deeply to see her take this step of faith at age 8 and publicly declare her love for Jesus and commitment to follow Him throughout her life. We were so blessed to be surrounded by family, YWAM friends, and our Calvary Chapel church family as she declared why she decided to be baptized before entering the water: **"Because I know God has a good plan for my life."**

This milestone reminded me that **discipling our children is one of the most sacred callings we have**—not just in easy seasons, but especially in the hard ones. It's often in those moments of struggle and uncertainty that their hearts are most tender to experience God's faithfulness and grace. I'm so thankful for how Jesus is drawing her close and guiding me as well, to lead her with love, prayer, and His Word each step of the way.

### **“Biblioteca Andante” Library Bus on Mission Again!**

A few months after our first city-wide family event, we were invited back to take part **once again**—and what a joy it was! The streets were closed for families to walk, ride, and play safely while discovering fun community activities. This time, more than **500 people attended the event**, where we were able to connect with families, city officials, and community leaders.

Each time we bring the library bus to the community, we see how **God uses it as a simple but powerful tool to inspire, build connections, and draw hearts closer to Him**. We also provide a safe place for children to develop their reading skills and share special family moments.

We're so grateful for the growing favor the Lord is giving us with local leaders and for the chance to share our passion for education, family, and the hope we have in Jesus.

**We even made it into the news again!** Click [here](#) to read the local article (in Spanish) about the event. We believe this is just one more way God is shining His light through us to reach our city for Christ.

*Luisa (above left), a local Tijuana resident and fellow YWAM missionary, has been my friend and co-laborer in Christ for many years now. She has taken on the leadership of the Library Bus ministry now and it's incredible to see how God is opening doors at new schools and also with the government*

*because of her involvement. She is also amazing at sharing our vision and including new volunteers (above right).*
