

## Home Improvement

---

Colossians 3:18-4:1  
(pew Bible p. 955)

*Main Idea:* The Lord transforms homes through relationships.

1. The household code was radical back then and is still today.
2. Jesus is the one who defines our relationships and roles.
3. God's good design is still good, even if the examples and experiences in your life are not.
